The valuations are carried out for a variety of purposes, as follows

- Sale or Purchase
- Insurance
- Accounting purposes
- Mortgage
- Forced Sale
- Arbitration
- Compulsory Acquisition
- Owner occupier
- Rental assessment

We pride ourselves on rapid turn around time. We shall deliver quality services at competitive rates. We are ready to serve institutions, organizations, businesses and individuals with equal care and consideration. No assignment is too large or too small.

Our Services

Property Management

Whether you have a commercial or residential property, we are able to assist with your property by maximising its capital value through our experience and managing the property's liabilities and costs through effective management.

Commercial Properties

Our property management team can deliver an effective service that will maximise clients return from all of their property assets.

The key services that are provided within our typical property management function for commercial buildings are:

- Rent collection
- Service charge budget and expenditure management
- Statutory compliance
- Procurement and contractor management
- Health & Safety and risk management
- Lease compliance
- Insurance management
- Employment of any on site staff
- Service charge consultancy

Residential Properties

In order to ensure the taste of the premises remains at the heart of the existing Landlords, tenants and any other prospective client, our management duties shall include BUT not limited to the following;

- Collect service charge and excess rates where applicable.
- Pay from collected service charges the following outgoings when they fall due
- Attend to and supervise any necessary repairs at the Landlords cost and approval
- Attend to the tenants complaints relating to the property
- Retain or employ new staff to look after the property i.e. caretakers, cleaners and security guards, after consulting and at the cost of the Landlord.
- Prepare and submit accounts for all collections and outgoings

Property Sales and Letting

This is carried out by us and includes assessment of the current market value/rent of the property before the property is placed in the market.

We sell and let commercial, industrial, and residential properties for our clients.

We primarily market all properties for selling and letting through:

- Advertisements
- Our Website
- Email data base
- Our networks of clients and sales agents.

We handle the viewings and all the discussions with the prospective clients on behalf of the owners and developers.
